

NSW STATE ELECTION 2019

#VoteBike2019 #FixMyBikePath2019

Creating a better environment
for all bicycle riders

Help your MP to commit to:

Build it for everyone

Travelling behaviour, road congestion and pollution will not change until bike infrastructure suits riders from 8 to 80 years of age.

- Connected bike infrastructure that's safe for everyone to use.
- Integration of travel by bike.

Safe home

Road user education and enforcement around bike laws, must support everyone travelling safely.

- Enforce the laws.
- Educate road users.
- Change the law.

Invest now for health

NSW urgently needs the health benefits that bike riding offers individuals and the community.

- School behaviour change programs.
- Bike riding for transport.
