

LESSON 5: COPYING A RIDE USING BICYCLENOW.BUNCHEUR.COM

Estimated time to Copy a ride: Less than 2 Minutes

1. From the home screen click “Manage Profile”
2. In the drawer, select “Manage rides”
3. Navigate to the ride you wish to copy.
4. Click “copy ride” in the ride menu.

This will duplicate the ride and add the number “1” after the name

5. Navigate to the new ride and click “Edit”
 - i. You will need to change the dates, other ride specific details to reflect the new details of the copied ride
 - ii. You may also need to edit the routes and details of the “grades” within the copied ride if they have changed
