

# **LESSON 7: HOW TO SHARE YOUR BUG RIDE ON SOCIAL MEDIA BICYCLENOW.BUNCHEUR.COM**

*Estimated time to take a ride entry on the day: Less than 1 Minutes*

- 1.** From the home screen click “Manage Profile”
- 2.** In the drawer, select “Manage rides”
- 3.** Navigate to the ride you wish to share on social media.
- 4.** Click the name of the ride you are wishing to share (It is in blue)

This will open the ride in a new tab

- 5.** Under the address of the ride start point you will notice multiple social media icons. Click the icon of the social media you would like to share the ride to.
- 6.** Choose the account or page you would like to share the ride to and it will create a social media post for you
