Dear Ms Bickford,

Thank you for your correspondence of 15 April 2025 regarding the M7 to M12 shared user path which is under construction.

Greater Sydney Parklands (GSP) is pleased to deliver this exciting new connection through Western Sydney Parklands, which provides a vital link for cyclists, walkers, and runners between the M7 Motorway and M12 Motorway being delivered in partnership with Transport for NSW.

Funding has now been secured for lighting of the entire path through the parklands and we are currently finalising the lighting design.

GSPs' Senior Project Manager, Kristine Marshall is leading the project and will reach out to arrange a briefing with you once the lighting design is finalised.

Thank you for raising this matter with me.

Yours sincerely,
